NOTICE CONMEN/WOMEN WITH FAKE UWEZO FUND WEBSITE AND EMAIL ADDRESSES DEFRAUDING THE PUBLIC

It's been brought to our attention that some CONMEN/WOMEN are defrauding members of Public of Kshs 375 for allegedly processing of the Uwezo Fund Applications Forms from a fake Website www.uwezofund.org.

The fraudsters, led by one "Lydia Ogutu", who is posing as a Senior Accounts Manager are promising unsuspecting members of the public that they could apply as **individuals** for Uwezo Fund loans, online, pay Kshs 375 Bank ledger fee, through a given paybill number, and they will be disbursed with the applied funds from 15th of Next month in all the 47 counties.

Uwezo Fund warns the public not to pay anyone any money on promise of facilitating the Loans applications processes as forms can be downloaded free of charge from its website, www.uwezo.go.ke, can also be obtained from all Constituency Development Fund (CDF) Offices countrywide as well as from the Uwezo Fund Boards headquarters offices, Lonrho House, 16th Floor. Our email address is info@uwezo.go.ke and the Uwezo Fund Board DOES **NOT** issue **individual loans** to its beneficiary **groups** of Women, Youth and persons with Disability who must meet the loan's eligibility criteria available on the official website to qualify for Loan disbursements.

The fake website, www.uwezofund.org, and email submissions@uwezo-fund.org and the so called Senior Accounts Manager, Ms Lydia Ogutu or any other Fake people, have no relations with the Board and Uwezo Board advises all Kenyans to disregard any information from these misleading sources out to con them of their hard earned money. Please report these fraudsters to the nearest Police Station and/ or to the Uwezo Fund Oversight Board Secretariat through the following contacts:
